

## CallTower Announces 2018 Partner of the Year Awards

*Celebrating top-performing partners, who demonstrate innovation and excellence in UCaaS solution selling.*

December 19, 2018

**South Jordan, UT and Boston, MA** – CallTower, a global leader in delivering cloud-based enterprise-class unified communications and collaboration solutions, announced today the winners of their first-annual Partner of the Year Awards for 2018. CallTower is celebrating channel professionals that have excelled in developing their partnerships with CallTower and growing mutual business opportunities and customers.

CallTower is committed to delivering industry-leading UCaaS and collaboration solutions that enable mutual growth with partners. The 2018 CallTower Partner of the Year Awards recognizes partners for their outstanding performance and accomplishments that raise the standard for business excellence and customer satisfaction. Winners were chosen for their excellent financial performance, innovative solution selling and for driving meaningful business results for shared customers.

CallTower's inaugural award winners are: Mike Dlug, Stratus IP; Kathleen Waters, Creekview; Steve Grimsley, ARG; Georgia Graves, Cobweb Industries; John Protass, Singlepath, Phil Spaer, CommQuotes; Robert Julian, Diversitel Networks; and Ali Niroo, CNSG.

“We are thrilled to recognize and honor top-performing partners who excel at meeting the needs of our joint customers. The CallTower Partner Awards celebrate our partners' achievements and exemplify how together we deliver industry-leading UCaaS solutions to maximize customers communication needs,” said CallTower’s Chief Revenue Officer, William Rubio. “We have an extraordinary opportunity in front of us, with the vast number of companies looking to move to cloud-based business communication solutions. We are excited to continue working with our partners to deliver powerful business outcomes that enable our joint customers to transform and accelerate their businesses”

### **About CallTower**

CallTower exists to enable people to easily connect to transact business communications. Since its inception in 2002, CallTower has become a leading provider of cloud-based, enterprise-class Unified Communications solutions for growing organizations worldwide. CallTower provides, integrates and supports industry-leading, cloud-based, Unified Communications and Collaboration solutions, including Cisco® Unified Communications Manager, Native Skype for Business, Microsoft® Teams, CT Cloud, CT Cloud Boost, Office 365 and Zoom Video Communications for business customers.

CallTower enhances our clients’ strategic and operational capabilities by integrating VoIP service, mobile applications, email hosting, unified messaging, instant messaging, audio, web and video conferencing, collaboration tools, contact center, cloud services and global networks solutions into one reliable platform.
